MEMORANDUM FOR: The Director
FROM : H. F. Hutchinson, Jr.
NIO for Foreign Denial and Intelligence Activities
SUBJECT : SIG-I Meeting, 6 February

1. I am deeply troubled by the passages annotated in the three attachments, extracted from the SIG-I Working Group paper.
2. Your authorities are not-so-subtly eroded by these formulations. In brief, the Working Group review of the SSCI draft leaves the SSCI looking to the NSC, and the intent there is the NSC Staff, rather than the DCI or SIG-I for threat assessments. The review also has the CCIS/ICS working under the direction of the NSC and tends to ignore the DCI and the SIG-I generally.
3. I strongly recommend the changes noted on the attachments.

H. F. Hutchinson, Jr.
